

IDF - PRIMER International Diabetes Summit - 2023
Global Discoveries to Real World Solutions
11th - 13th August 2023
Hotel Sheraton Grand at Brigade, Bengaluru, India

Team PRIMER announces International Diabetes Summit - 2023

Dear Colleagues,

PRIMER is excited to announce the most prestigious partnership with IDF School of Diabetes.

Our congress IDF-PRIMER International Diabetes Summit-2023, is being held from 11th – 13th August, 2023 at Hotel Sheraton Grand at Brigade Bengaluru, India.

This conference is being organised for the 9th year in succession to bring together stakeholders in the field of diabetes and provide them with the latest updates (**Global Discoveries to Real World Solutions**).

IDF is the global voice of diabetes community having its presence in 161 country's. IDF works tirelessly to improve and empower life's of people with diabetes. IDF advocacy and reach is truly global!

We are happy to announce the partnership with Kovler Diabetes Center - Chicago Medicine, Diabetes India, ACP India Chapter also as our strategic knowledge partners along with IDF.

The conference will feature renowned thought leaders from around the world as both faculty and delegates. Senior thought leaders and KOLs from India will be adding to the excitement of most awaited scientific deliberations to share Global Discoveries to Real World Solutions.

The conference shall cater to participants from all fields, including childhood diabetes to adults, basic science, to practice improvement tips, and a lot more. We will have plenary sessions, orations, keynote lectures, debates, workshops, and clinical case seminars.

Diabetes management has moved beyond glucose-centric approaches to end-organ protection, making it more comprehensive and patient-oriented. This conference will address this shift while providing an opportunity for attendees to gain valuable insights into the latest research and trends in the field of diabetes.

We are expecting around 1500 delegates both from India and overseas comprising of Endocrinologists, Diabetologists, Physicians, Family Physicians, Post graduate students, Basic Scientists, Dietitians and other healthcare professionals.

Scientific deliberations will empower **Global Discoveries to Real World Solutions** to practicing doctors, diabetes educators, nutritionists, basic scientists and other health care professionals.

This year's summit will be a hybrid event, allowing all interested parties to participate in this landmark conference. We invite all of you to join us for one of the most talked-about conferences in the field of Diabetes.

Looking forward to your participation.
